## *Benefiting Catholic Legal Services Archbishop's Dinner Overview*

On Thursday night, November 3rd, 2011, Catholic Legal Services and Archbishop Wenski will be hosting the Annual Dinner event for Catholic Legal Services.

The event will feature the Archbishop along with a wonderful program that includes a silent auction, dancing music and fine dining.

This event attracts more than 250 guests, including the Tri County's top corporate, financial and community leaders.

### *About Catholic Legal Services*

The Old Testament enjoins us to "treat the alien who resides with you no differently than the natives born among you." (Leviticus 19:34) The mission of Catholic Legal Services (CLS) is to implement this teaching by providing professional immigration services to South Florida's refugee and immigrant communities and attorney representation before the Citizenship and Immigration Services, the Immigration Courts and the Board of Immigration Appeals.

Over 1000 individuals seek the services of CLS each month: individuals seeking to reunite with their families; political and religious refugees seeking safety and security; essential religious workers seeking to minister to U.S. religious communities; battered spouses and their children. These individuals confront a complex immigration law and a confusing bureaucracy. Many have unhealed wounds from a painful past. Many encounter unexpected bigotry and barriers as they adjust to a new culture and a new way of life. They face an uncertain future.

Without CLS's assistance, too many deserving immigrants and refugees would lose the opportunity to avail themselves of the laws enacted for their protection. Others would fall prey to schemes of unscrupulous and unlicensed immigration hucksters capitalizing on the naiveté, poverty, and desperation of the newcomer. However, with our help, many deserving immigrants and refugees persevere and realize their dreams for a bright and secure future in the United States.

### *Join Us as a Sponsor*

We invite you to review the sponsorship levels and carefully consider how you will support Catholic Legal Services. Events like the Archbishop's Dinner help with the successful accomplishment of our mission to transform individuals from "illegal aliens" to productive, participating members of our community. In turn, their contributions strengthen and diversify our nation.
