The Cuban American Bar Association (CABA) recently held its third L.E.A.D. program session at Kozyak Tropin & Throckmorton in Coral Gables.

The Leadership, Education, And, Development (L.E.A.D.) program is designed to provide CABA fellows with the knowledge, skills and tools to be effective leaders within CABA, The Florida Bar, and their communities. The multi-day sessions were designed to assist the diverse and inclusive group of lawyers in becoming better leaders within the legal profession.

“We are very pleased to have completed our third successful session providing a skills-based learning experience on important topics such as professionalism, code of conduct, and civility in advocacy,” said CABA President Giselle Gutierrez. “The event was well
