CABA GALA 2027

CORPORATE PARTNER & SPONSORSHIP OPPORTUNITIES

## PUENTES DE LIBERTAD | *BRIDGES TO FREEDOM*

For over five decades, the Cuban American Bar Association (CABA) has served as a pillar of legal excellence, advocacy, and service. In 2027, we proudly celebrate 53 years of CABA and invite you to partner with us for our biggest event of the year: the CABA Gala.

Our 2027 theme, Puentes de Libertad (Bridges to Freedom), focuses on the vital connections CABA builds between legal professionals, our members, and the community at large, locally and in Cuba. CABA bridges the path to critical legal representation, fosters community connection, and opens doors to transformative professional and educational opportunities.

In addition to serving as the installation of the CABA president and board of directors, the CABA Gala is a philanthropic event directly benefiting CABA's two 501(c)(3) sister organizations: the CABA Foundation and CABA Pro Bono Legal Services.

The CABA Foundation receives 100% of the Gala's net proceeds from sponsorships, allowing the Foundation to award academic scholarships to deserving law students nationwide, empowering the next generation of legal leaders.

CABA Pro Bono Legal Services receives proceeds from the Gala auction and on-site fundraising efforts, allowing CABA Pro Bono to continue providing vital, no-cost civil legal services to low-income Floridians, transforming the lives of children, individuals, and families in need.

By becoming a CABA Gala sponsor, your organization aligns itself with top-tier legal and civic leadership while directly funding essential legal aid and educational access. As a sponsor, your brand will gain exceptional visibility before an influential audience of key decision-makers, legal scholars, and corporate executives who gather to support CABA's vital mission.

Join us on February 20, 2027, at the InterContinental Miami to help CABA continue lighting the path to democracy and bridging the future of justice together. We look forward to welcoming you to an unforgettable evening.

Un abrazo,

**HAYDEE S. SERA**  
2027 CABA President

# ABOUT CABA

The Cuban American Bar Association is a voluntary bar association founded in 1974 by lawyers of Cuban descent. Today, CABA's members include judges, lawyers, and law students of all backgrounds interested in issues affecting the Cuban community, as well as broader legal and human rights issues. CABA's mission is to promote equality of our members; increase diversity in the judiciary and legal community; serve the public interest by increasing awareness to the study of jurisprudence; foster respect for the law; preserve high standards of integrity, honor, and professional courtesy among our peers; provide equal access to and adequate representation of all minorities before the courts; facilitate the administration of justice; build close relationships among our members; provide mentoring and scholarship to law students nationally; and support the indigent community through the funding and administration of an effective pro bono legal assistance project and other community programs.

# ABOUT CABA FOUNDATION

In 1995, as part of its mission to promote diversity and access in the legal services community, CABA launched the CABA Foundation. CABA Foundation provides law school scholarships to law students across the country in an effort to assist them in achieving their full potential through access to opportunity and increased diversity in the legal profession. CABA Foundation also manages and promotes efforts to endow law school scholarships throughout Florida.

# ABOUT CABA PRO BONO LEGAL SERVICES

CABA Pro Bono Legal Services is a nonprofit organization dedicated to improving the lives of children, individuals, and families in need by providing free civil legal services to low-income Floridians. With a team of more than 40 employees, including more than 20 staff attorneys, the organization serves more than 5,000 clients annually across Florida. Its work is strengthened by a network of pro bono attorneys and legal professionals who help expand access to justice for vulnerable populations, including survivors of human trafficking and domestic violence; older adults; abused, abandoned and neglected youth; children in foster care; tenants facing eviction; and individuals with developmental disabilities and their families. For over four decades, CABA Pro Bono's staff, board members, volunteers, and donors have brought immeasurable value to the clients they serve and the community. For additional information about CABA Pro Bono Legal Services, please visit: [www.cabaprobono.com](http://www.cabaprobono.com).

## ABOUT THE CABA GALA

---

The Gala is CABA's marquee event, gathering more than 1,000 attorneys, judges, business and civic leaders, dignitaries, and distinguished guests for one of the legal community's most anticipated evenings of the year while raising hundreds of thousands of dollars in support of CABA's philanthropic mission. Funds raised at the Gala benefit the Cuban American Bar Foundation Scholarship Fund, which provides financial assistance to deserving law students across the country, and CABA Pro Bono Legal Services, which provides critical legal services at no cost to indigent communities throughout Florida. CABA Pro Bono Legal Services and the Cuban American Bar Foundation are separate 501(c)(3) nonprofit organizations established to advance CABA's longstanding commitment to access to justice, education, and service to the community.
